DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

1. Claim 5 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
2. Claim 5 recites the limitation "the interaction" in lines 20 and 22. There is insufficient antecedent basis for this limitation in the claim. It is unclear which interaction applicant is attempting to refer, the interrupted interaction or the interrupting interaction.

Allowable Subject Matter

3. Claim 14 is allowed.
